AUSTRALIAN COLLEGE OF PAEDIATRICS

INDEX TO VOLUME 14

SUBJECT INDEX — VOLUME 14, 1978

A

Abdominal scanning for bleeding Meckel's diverticulum using 99mTc pertechnetate, 244
Adrenal hyperplasia, congenital, serum 170H-progesterone estimations in the diagnosis and management of, 16
Anaemia of childhood, idiopathic transient normocytic, normochromic, 28
Aqueductal stenosis, candida meningitis causing, following parenteral nutrition in an infant with meconium peritonitis, 286
Atrial enlargement, left, oesophagitis and oesophageal obstruction from quinidine tablets in association with: A case report, 191
Australian children, fatal motor vehicle accidents involving. Editorial comment, 62
Australian children, fatal motor vehicle accidents involving, 74
Australian paediatrics, a bibliography of, 1846-1900. Part I: 1846-1879, 21; Part II: 1800-1900, 95

B

Bacteriuria, neonatal—the value of bladder puncture in resolving problems of interpretation arising from voided urine specimens, 83
Bladder puncture, the value of, in resolving problems of interpretation arising from voided urine specimens in neonatal bacteriuria, 83
Biochemical alterations in human breast milk after heating, 87
Birth weight, infant's, the effect of racial origin, geographical location and antenatal care on, 165
Book Reviews, 51, 131, 228, 314
Breast-feeding and infant health during the first 16 weeks of life, 254
Breast feeding, some maternal and child developmental characteristics associated with: A report from the Dunedin Multidisciplinary Child Development Study, 265
Breast feeding, the relationship of perinatal factors to, 169
Breast milk, human, biochemical alterations in after heating, 87

C

Candida meningitis causing aqueductal stenosis following parenteral nutrition in an infant with meconium peritonitis, 286
Childhood hypothyroidism, 99mTc pertechnetate for detection of ectopic dysgenesis of the thyroid in, 11
Chromosomal defects: experience in a growth and development clinic, 269
Congenital adrenal hyperplasia, serum 170H-progesterone estimations in the diagnosis and management of, 16
Controlled trial using intravenous infusion of soya oil emulsion in the treatment of children with cystic fibrosis, 80
Coronary risk-factor profile of 4 year olds. II. Interrelationships, clustering and tracking of blood pressure, serum lipoproteins and skinfold thickness, 278
Current surgical practice in the pre-operative diagnosis of bleeding per rectum. Editorial comment, 239
Cystic fibrosis: A review of clinic patients, 91
Cystic fibrosis, management of. Editorial comment, 61
Cystic fibrosis, the treatment of children with; a controlled trial using intravenous infusion of soya oil emulsion, 80

D

Dehydration, hyperomolar, a followup study of, 283
Diaphragmatic hernia in the newborn. Editorial comment, 1
Diaphragmatic hernia, right, in the newborn, 38
Do fat children think differently about food? 174
Domestic swimming pool drowning in children, 275

E

Ectopic dysgenesis of the thyroid in childhood hypothyroidism, 99mTc pertechnetate for detection of, 11
Editorial comments:
- Current surgical practice in the pre-operative diagnosis of bleeding per rectum, 239
- Diaphragmatic hernia in the newborn, 1
- Fatal motor vehicle accidents involving Australian children, 62
- How good is the management of snake bite in Australia? 237
- Localization of the site of urinary tract infection, 141
- Management of cystic fibrosis, 61
- Nebulized bronchodilator therapy in asthma, 139

Effects of foods on the weight of infants by the age of three years, 163
Effect of racial origin, geographical location and antenatal care on an infant's birth weight, 165
Elemental analysis of dried milk used in infant feeding, 259
Experience in a growth and developmental clinic: chromosomal defects, 269

F

False negative sweat tests with apparently adequate sweat collections, 78
Fatal motor vehicle accidents involving Australian children. Editorial comment, 62
Fatal motor vehicle accidents involving Australian children, 74
Followup study of hyperosmolar dehydration, 283
Food, do fat children think differently about? 174

G

Gastric haemorrhage and perforation in the newborn, 180
Goitre and hypothyroidism, iodide induced, in infancy and childhood, 69
Gram negative urinary tract infection, localization of by immunofluorescence in infants and children, 143

H

Hernia, right diaphragmatic, in the newborn, 38
Editorial comment, 1
Human Genetics Society of Australasia: Abstracts of papers presented at Sydney, May 1978, 305
Hypercalcaemia: an unusual complication of tuberculosis: A case report, 44
Hyperosmolar dehydration, a followup study of, 283
Hypothyroidism and goitre, iodide induced, in infancy and childhood, 69

I

Idiopathic intestinal pseudo-obstruction. Report of a case with neuropathological studies, 102
Idiopathic transient normocytic, normochromic anaemia of childhood, 28
Impaired neutrophil kinesis in a patient with the Shwachman-Diamond syndrome, 34
Infant feeding, elemental analysis of dried milks used in, 259
Infant health and breast-feeding during the first 16 weeks of life, 254
Intestinal pseudo-obstruction, idiopathic. Report of a case with neuropathological studies, 102
Intravenous feeding, oral and complete, of small premature infants, nitrogen balance studies during, 6
Iodide induced goitre and hypothyroidism in infancy and childhood, 69

L

Laughing seizures and precocious puberty: Case report and review of the literature, 185
Left atrial enlargement, oesophagitis and oesophageal obstruction from quinidine tablets in association with: A case report, 191
Localization of gram negative urinary tract infection by immunofluorescence in infants and children, 143
Localization of the site of urinary tract infection. Editorial comment, 141
Loss of a baby, 3

M

Meckel's diverticulum, bleeding, abdominal scanning for, using 99mTc pertechnetate, 244
Meconium peritonitis, candida meningitis causing aqueductal stenosis following parenteral nutrition in an infant with, 286
Meningoencephalitis, experimental amoebic, pyrimethamine in, 177
Mental retardation, a syndrome of — wide mouth and intermittent overbreathing, 182

N

Nebulized bronchodilator therapy in asthma. Editorial comment, 139
Nebulized salbutamol, two methods of administering: A controlled study, 150
Neonatal bacteriuria—the value of bladder puncture in resolving problems of interpretation arising from voided urine specimens, 83
Neutrophil kinesis, impaired, in a patient with the Shwachman-Diamond syndrome, 34
Newborn, diaphragmatic hernia in the. Editorial comment, 1
Newborn, gastric haemorrhage and perforation in the, 180
Newborn, urinary fibrin degradation products in the, 147
99mTc pertechnetate, abdominal scanning for bleeding Meckel's diverticulum using, 244
99mTc pertechnetate for detection of ectopic dysgenesis of the thyroid in childhood hypothyroidism, 11
Nitrogen balance studies during oral and complete intravenous feeding of small premature infants, 6
Normocytic, normochromic anaemia of childhood, idiopathic transient, 28

O

Obituary:
Vernon Leslie Collins, 128
Ralph Douglas Kenneth Reye, 48
Henry George Rischbieth, 49
Oesophagatis and oesophageal obstruction from quinidine tablets in association with left atrial enlargement: A case report, 191

P

Patterns of collaboration between child psychiatrists and paediatricians: The child psychiatrist's view, 66
Patterns of collaboration between child psychiatrists and paediatricians: The paediatrician's view, 64
Perinatal factors, the relationship of to breast feeding, 169
Pneumatocoele, scrotal, in the newborn, 107
Precocious puberty, and laughing seizures: Case report and review of the literature, 185
Proceedings:
23rd Annual Meeting of the Australian College of Paediatrics, 193
Paediatric Research Society of Australia, 11th Annual Meeting, 109
Paediatric Research Society of Australia and Paediatric Society of New Zealand. 1st Collaborative Meeting, Dunedin, New Zealand, 288
Publications Received, 57, 136, 233, 320
Pyrimethamine in experimental amoebic meningoencephalitis, 177

S

Salbutamol, nebulized, two methods of administering: A controlled study, 150
Scrotal pneumatocoele in the newborn, 107
Serum 170H-progesterone estimations in the diagnosis and management of congenital adrenal hyperplasia, 16
Shwachman-Diamond syndrome, impaired neutrophil kinesis in a patient, with, 34
Small premature infants, nitrogen balance studies during oral and complete intravenous feeding of, 6
Snake bite in Australia, how good is the management of? Editorial comment, 237
Snake bite in children: A five year population study from South-East Queensland, 248
Some maternal and child developmental characteristics associated with breast feeding: A report from the Dunedin Multidisciplinary Child Development Study, 265
Sweat tests, false negative, with apparently adequate sweat collections, 78
Syndrome of mental retardation—wide mouth and intermittent overbreathing, 182

T

Thyroxine, radioimmunoassay of, in dried blood spots, 154
Tuberculosis, an unusual complication of, hypercalcaemia: A case report, 44
Two methods of administering nebulized salbutamol: A controlled study, 150

U

Urinary fibrin degradation products in the newborn, 147
Urinary tract infection, gram negative, localization of by immunofluorescence in infants and children, 143
